**Notice of Respondent's Repeated Contempt of this Court, and Second
Emergency Motion to Quash State Court Orders Issued Post-Removal**

Comes now *Petitioner*, Rocky D. Wright, still moving the Court in emergency to QUASH all wholly bogus and knowingly unlawful "orders" of the instant state court *after removal*, to-wit:

OUTRAGEOUS CURRENT STATUS

RICO suit is being prepared to file against the County of Titus, Texas and also against, along with formal pressings in variety of direct criminal charges as described below, the instant state court judge, Robert M. Rolston, SBN #17221000, the instant state court clerk, Debra Abston, the Respondent herself, Shelly N. Sanders, and both, the prior/recent attorney who knowingly on the Respondent's behalf started this mess they are all in, Ramsey R. Strube, SBN #24060677, and Respondent's new attorney knowingly continuing same, Matthew L. Thigpen, SBN #24056425.

Petitioner duly notices all persons of the direct relevance of 42 USC § 1985, Conspiracy to Interfere with Civil Rights, and also of parallel 42 USC § 1986, Action for Neglect to Prevent.

SECOND EMERGENCY MOTION TO QUASH

Petitioner incorporates in its entirety by reference, the same as if it had been fully set forth herein (H.I.), the prior, directly-related, and still-pending Emergency Motion to Quash the very

same rogue and disdainful state court's previous bogus and wholly void "orders" unlawfully issued without jurisdiction on Friday the 7th of July, 2017 after removal had already been duly perfected (*id.*) and after all parties, their counsel, and the state court clerk were duly notified. *Id.*

Said prior and still-pending Emergency Motion to Quash detailed, with Exhibits as needed either attached and/or referenced, that: **(a)** in 2015 the instant Texas state court system switched full care, custody, management and control of the Victim minor child herein completely and permanently over to this undersigned Petitioner father and residence in Cass County, due to the Respondent mother's various and very serious, criminally improper sexual behaviors and acts regarding the same Victim child (*id.*); **(b)** subsequent to that dramatic event, and well over a full year ago now, the Respondent then moved far away from that Titus County, clear down to Smith County, completing total lack of any parties or affected minor children living in Titus County for well over the six-months "home county" statutory mandate threshold for transferring any, if any, future litigation to solely Cass County, hence Titus County no longer had jurisdiction of any kind regarding these matters, even if it ever did have any *valid* prior jurisdiction (*id.*); **(c)** that the Respondent, already well aware of her own serious fault causing the 2015 dramatic event in said full change and swap of primary child custody by Titus County, and also clearly aware that none of the parties lived in Titus County after her own move-away, did still then knowingly in fraud attempt to have officers of the Titus County state courts unlawfully get involved again directly against this Petitioner and the instant minor child herein instead of obeying statutorily-required transfer to Cass County for any attempted new action of any kind (*id.*); **(d)** and that after removal to this Court had already been duly perfected on Monday, July 3rd, 2017 (*id.*) and that, even after all parties, counsel, and the state court, via required filing of notice with the state clerk, had all been prior duly notified in the manners provided by law, and the state court therefore absolutely

knowing it lacked jurisdiction or authority to proceed any further, the state court knowingly and unlawfully *still* continued with wholly bogus and void “hearing” on Friday, July 7th, 2017, and then *further* created worthless toilet paper with his same worthless signature upon said “orders” issued in total defiance of law, and of any career-saving sense, hence all the same are **void** (*id.*).

Said prior and still-pending Emergency Motion to Quash was also duly served upon the state court judge himself, Mr. Rolston, via tracked delivery directly to and upon the state court’s own clerk herself, Ms. Abston (*id.*), who is also fully and duly aware that the entire instant state court case is on hold because of removal to this Court, i.e., who *fully knows* that Mr. Rolston had no jurisdiction or authority to issue *any* so-called “orders” *whatsoever* within the instant state court case subsequent to the same removal perfected prior and duly noticed directly upon and with her.

NOTICE OF WILLFUL CONTINUING CONTEMPT OF THIS FEDERAL COURT

Subsequent to receiving copies of Mr. Rolston’s signed “order” from said knowingly illegal hearing on Friday, July 7th, 2017 held after federal removal had already been duly perfected and noticed upon him via filing same with Ms. Abston formally, Mr. Rolston was added directly with Respondent’s prior/recent attorney, Mr. Strube, into all certificates of service for same said prior Emergency Motion to Quash and separate Motion to Seal (with true copy of **Exhibit C**, already now sealed herein, also served on Mr. Rolston) detailing just some of the Respondent’s specific violations of particular Texas Penal Code sections regarding criminal sexual behaviors involving the Victim minor child (which the minor child self-documented, i.e., as that **Exhibit C** herein).

Further, upon learning that Respondent had “functionally” changed attorneys (regardless of and contrary to the requirements of law...) suddenly to Mr. Thigpen, in order to “try another swing at bat” with requesting the instant state court (Mr. Rolston) to - once again - willfully, intentionally, and knowingly ignore and bypass the automatic stay under 28 U.S.C. § 1446(d)

once removal to federal court was already duly perfected prior on Monday, July 3rd, 2017, this Petitioner then also added Mr. Thigpen permanently into certificates of service for all subsequent filings made within this Court, i.e., Mr. Thigpen is already very duly noticed and very well aware that his every action in and by the instant state court was and is absolutely void *ab initio* for total lack of *any* jurisdiction by the state court whatsoever, yet he also persists in willful lawlessness, by further requesting *even more* void issuances of yet additional “orders” from Mr. Rolston who already duly knows he lacks jurisdiction to do or issue anything whatsoever – the latest sampling of their criminal conspiracy against many state and federal penal statutes attached as **Exhibit E**, which sampling of knowing and intentional crimes willfully being perpetrated by co-conspirators Mr. Rolston, Ms. Abston, Mr. Strube, Mr. Thigpen and Respondent Shelly N. Sanders are more specifically detailed, cited directly unto, and highlighted against each and/or all of them below.

Pursuant to Texas Penal Code, Title 2, Chapter 7, *Criminal Responsibility for Conduct of Another*, also to Texas Penal Code, Title 4, Chapter 15, *Preparatory Offenses*, each of the four (4) above officers of the courts of Titus County are already guilty and liable for affirmative acts towards and/or neglect to prevent aiding, abetting and/or attempting to conceal the various felony and misdemeanor sexual crimes involving the Victim minor child that Respondent Sanders has committed against multiple Texas Penal Code sections identified upon **page six (6)** in same said prior and still-pending Emergency Motion to Quash, as well as now being additionally guilty and liable in regards to ALL of their OWN individual and/or joint criminal acts and/or omissions perpetrated in these matters, as follows next, to say nothing of serious causes of action like abuse of office, abuse of power, official misconduct, false and malicious prosecution, negligence, tortious interference with rights, violations of civil rights, intentional inflictions of emotional distresses, breaches of duties to prevent harm, breaches of fiduciary duties, and so forth....

Naturally, the County of Titus, both law firm business entities (Strube) (Thigpen), and any other applicable supervisory entity herein, will also be held jointly civilly liable and criminally negligent and/or otherwise criminally responsible via specific provisions of Texas Business Code such as Sec. 301.010 thereunder, including noting that law firms or any similar entities can **easily** be held liable for the *knowingly* unlawful acts of their any underling and/or partner attorneys and any/all other associated legal professionals, pursuant to the provisions of ethics rules, established common law aspects of vicarious liability per the provisions of Restatement (Third) of the Law Governing Lawyers § 58 (2000), liability under *respondeat superior* per the various provisions of Restatement (Third) of Agency, breach of fiduciary duties to opposing and third parties, and so forth and so on, *ad nauseam*, endlessly available for the grievous and heinous acts herein, and then relentless post-judgment supplemental actions until the awarded damages are completely paid in full, with interest, because damages for fraud can never be erased or bankrupted out of, *see*, e.g., state and federal statutory laws like Section 523(a) of the federal Bankruptcy Code, etc., and various SCOTUS case law upon that very subject, such as *Grogan v. Garner*, 498 U.S. 279 (1991), *Cohen v. De La Cruz*, 523 U.S. 213, 118 S.Ct. 1212, 140 L.Ed.2d 341 (1998), and etc.

Naturally also, Mr. Rolston should and must now by law be removed from office pursuant to any of the alternative provisions under Article XV of the Texas Constitution, *see also* Texas Government Code, Section 24.021, Section 33.038, and etc., *see also* Article V, Section 1-a(6) and Section 24 of the Texas Constitution, and likewise, Ms. Abston should and must now by law be likewise removed from office pursuant to Article V, Section 9 and Section 24 of the Texas Constitution, *see also* Texas Government Code, Section 51.322 and etc., while obviously also both the willfully dishonest and criminally-acting attorneys herein, Mr. Strube and Mr. Thigpen, should and must be law be disbarred permanently (with standard reciprocal notices sent unto the

state bar associations of all other 49 sister States and Commonwealths plus the same for DC) pursuant to Texas Government Code, Section 82.061 and Section 82.062.

Because each and every single same above named individual person engaged herein, besides Respondent Sanders, is also a duly sanctioned *officer* of the courts and therefore every statement (written or oral) presented to any court (state or federal) is also automatically deemed to be given under their sworn oaths to uphold the Federal Constitution and all statutes and other laws, and/or otherwise as legally deemed swearing to the truth of every averment and statement presented to a court of law, and also therefore likewise every act and/or omission to act is automatically deemed to be performed or affirmatively refused under their sworn oaths to uphold the Federal Constitution and all statutes and other laws, then and therefore each and every single same such same above officer of the Titus County courts is also absolutely and conclusively guilty of knowing they were and are still lying to and defrauding the state court (i.e., knowing, intentional material misrepresentations) about such clearly invalid/void state court orders, hence both said attorneys named herein are conclusively and already guilty beyond any reasonable doubt of perpetrating Perjury herein already, in direct violation of Texas Penal Code Title 8, Section 37.02. And because such statements have been made intentionally within that state court (any “official proceeding”) and are directly material, each such criminal charge is automatically enhanced to Aggravated Perjury as a 3rd degree felony charge under Texas Penal Code Title 8, Section 37.03. And because both same said attorneys engaged herein, by *knowing* the state court orders are clearly unconstitutional and false, yet *knowingly* continue to perpetrate the criminal act of “makes, presents, or uses any record, document, or thing with knowledge of its falsity and with intent to affect the course or outcome of the investigation or official proceeding” (any state or federal court), then each and both same attorneys are also clearly **guilty** of another 3rd degree

felony per Texas Penal Code Title 8, Sec. 37.09(a)(2) TAMPERING WITH OR FABRICATING PHYSICAL EVIDENCE. *See also*, Texas Penal Code Title 8, Sec. 37.10(a)(2) together with (a)(5) TAMPERING WITH GOVERNMENTAL RECORD, which is a state jail felony enhancement under (c)(2) thereof due to each same such attorney's obvious and clear intent to defraud the corresponding undersigned and to defraud and harm the Victim minor child herein.

Necessarily also therefore, each above named court officer herein is further **guilty** beyond any reasonable doubt of Class A misdemeanors perpetrated in criminal violation of Texas Penal Code Title 8, Sec. 36.04 IMPROPER INFLUENCE, of also various state and federal Obstruction charges, of also criminal conspiracy to defraud the Social Security Administration (Title IV-D), and so forth and so on, *and we're barely just getting started here with numerous such crimes...*

Because both such same named attorneys falsely engaged at any level of any court herein to fraudulently use the "official proceedings" to commit multiple and numerous crimes, which acts are each *themselves yet another act* of very serious and gross Misconduct against the various duly known and very well established Texas Disciplinary Rules of Professional Conduct of all the same Texas-licensed attorneys herein engaged, so each *already* knew and knows they were mandatorily required to immediately withdraw their own representational appearance of any party from these matters, and each same such attorney also knows their own mandatory duty to report the Misconduct of *other* legal professionals of which they have received direct knowledge.

See, same said Rules, *id.*, *passim*, particularly emphasizing **Rule 8.04 Misconduct**, also **Rule 8.03 Reporting Professional Misconduct**, and also **Rule 1.15 Declining or Terminating Representation**, of which paragraph (a) clearly commands withdrawal by *every* attorney herein.

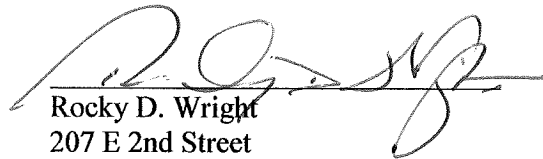

There can be no *reasonable* question of immediate and conclusive incumbency of this Court to promptly QUASH all of the instant state court "orders" knowingly fraudulently issued without

having any jurisdiction whatsoever, and there further can be no *reasonable* question that each and every above named officer of the Titus County court system should and must be removed from their offices “for willful or persistent violation of rules promulgated by the Supreme Court of Texas, incompetence in performing the duties of the office, willful violation of the Code of Judicial Conduct [*or of the Disciplinary Rules of Professional Conduct as to Messrs. Strube and Thigpen, or of similar rules as to Ms. Abston*], or willful or persistent conduct that is clearly inconsistent with the proper performance of his duties or casts public discredit upon the judiciary or administration of justice.”

Indeed, Titus County District Clerk, Ms. Debra Abston, is already and clearly *further* guilty of failing to comply with and obey her clear requirements under Texas Government Code, Title 2, Chapter 51 CLERKS, Subchapter J CERTAIN FRAUDULENT RECORDS OR DOCUMENTS, Section 51.901 FRAUDULENT DOCUMENT OR INSTRUMENT, i.e., striking all of the same from the instant state court docket as clearly void *ab initio*, recalling any other issuances, and etc.

WHEREFORE, the Petitioner *again* moves the Court in emergency to swiftly **QUASH** all “orders” issued falsely on or after July 7, 2017 by the instant state court as wholly void *after removal had been duly perfected*, and prays for all further relief true and just in these premises.
